FOCUS

Learning design
Objectives, scenarios and feedback built for adult learners.

Unity & VR
Unity 6, XR Interaction Toolkit, OpenXR, Meta Quest 3, WebGL.

Measurable learning
Built-in assessment, xAPI and SCORM.

METHOD

1. Objectives
2. Scenario
3. Prototype
4. Measurement

Miquel Muntaner

I design simulations that teach, and measure what is learned.

Serious games · Virtual reality · Unity

Teacher since 2019. I teach game programming with Unity and C# on the Higher VET programme in 3D Animation, Games and Interactive Environments at IEDIB. Before that I spent more than ten years as an audiovisual director. Experience taught me that people learn by doing, failing and trying again, and that is why I am passionate about serious games.

DESIGN PROJECTS

Zona Segura
VR occupational safety training for Quest 3, with built-in assessment and xAPI/SCORM data.

Mallorca, 1229
Short WebGL discovery game set in medieval Madina Mayurqa, for museums and schools.

Mayday
Multiplayer onboard emergency simulation focused on crew coordination and VHF communication.

Foc a la Serra
Decision-making simulation for a wildfire, with cell-based fire spread.

Design concepts in development. Case studies at muntaner.game

EXPERIENCE

Game programming & VR teacher — 2022 – present
IEDIB · Balearic Islands distance-learning institute

- Teach game programming in Unity and C#: interaction, physics, OOP, design patterns and multi-platform builds.
- Co-wrote the curriculum for the programme's VR elective and designed its course around one cumulative project.
- Design complete online learning experiences for adult students: materials, videos, activities and assessment.

Lecturer, Multimedia Programming & AI for Design — 2021 – 2022
ESDIB · Balearic Islands School of Design

Vocational teacher — 2019 – 2021
Balearic Ministry of Education · Server-side web programming, home automation

Teacher trainer, digital teaching competence — 2022 – present
IBSTEAM · Certified at C1 level

Freelance audiovisual director — 2014 – present
Live sports broadcasts and event documentaries

EDUCATION

MSc in Game Design and Programming · UOC — In progress

BSc in Multimedia · UOC — 2013 – 2018

Master's in Teacher Training · Nebrija University — 2018 – 2019

Higher VET Diploma in Audiovisual and Live Show Production
